	Another sale will be announced by Sunday, this will include curtains, sofas, furniture, ceramics, glass, silver jewellery, a large quantity of local maps and charts, & general household
	Followed by a Tools, Machinery, Models & Man Cave auction to include: Ride on mower, Snap On tools & cabinets, power and hand tools, enamel signs, model stationary & steam engines, model railway etc

	<p>Our racking has arrived to convert our saleroom into an organised warehouse of auction lots. Another marquee has arrived to aid in covered space for sorting the many lots from our house clearances and waste recycling.</p>
	<p>We will then be able to use our website to its full potential, bringing Buy Now lots and Charity Donation lots from our Rag &amp; Bone Recycling Bay. PLUS our exciting new addition due to be launched in late summer/autumn!</p> <p>It has been an extraordinarily complex time here at Beech with work time restricted due to daily visits into Derriford via the queues at the Tamar bridge or road works queues in Tavistock.</p> <p>I thank you all for your patience during this time, when I have not been able to man the phones as much as we would like. May I take this opportunity to thank everyone who has sent well wishes to our mother and may I extend the same to our friend and client Mark Gears and his family, as his mother is doing a similar lengthy stretch in the same ward in Derriford. Get well soon ladies! Xx</p>
